Meet Ayleen Charlotte

Defrauded of \$150,000 and featured in Netflix's most-watched documentary of all time, *The Tinder Swindler*, now a leading voice in the fight against fraud and a champion of resilience. Recognized as Scam Fighter Person of the year 2023.

Ayleen Charlotte is a prominent figure known for her pivotal role in exposing Simon Leviev, the infamous "Tinder Swindler." She turned her experience of being defrauded into a mission to bring him to justice. Ayleen's story gained global attention through the Netflix documentary *The Tinder Swindler*, where she revealed how Leviev used elaborate schemes to con women out of millions of dollars by pretending to be a wealthy diamond heir.

Ayleen's resilience stood out when she played an active part in his downfall. After realizing she was one of his many victims, she collaborated with law enforcement and used her insider knowledge to help track him down. Ayleen's actions not only contributed to his eventual arrest but also highlighted her strength and determination to prevent others from falling prey to similar scams.

Today, Ayleen's story serves as a powerful reminder of the importance of awareness and action against fraud. Her courage has inspired many and brought significant attention to the psychological and financial impacts of romance fraud.
